05 PROJECTS

Dec 2020

Student Mitra

<https://www.studentmitra.in>

- The main purpose of the project is to help Students to analyze their study/subject knowledge and helping them by providing good resources so that they can improve their weak points/subjects
- Other purposes are like helping any individual to check their knowledge in a particular subject. It also provides feature like comparing their particular subject knowledge with other subjects
- Another purpose is making learning easy through fun activities like the user can play quiz with his/her friends. Group test room and other features so that user can take interest in Learning

Dec 2019

Hangman

It is a 2 player game which lets you choose a level of difficulty and then gives you a word to guess. If you guess it in given number of turns you would win a point and same for 2nd player. At last player with more points will win.
